

Chom Khsan District, Preah Vihear Province, July 28, 2013

My name is Ouch Sokserey Monika. I am living in Chom Khsan District, Preah Vihear Province. I am an audience of Preah Vihear Radio FM 99MHz, and I often listen to DC-Cam community radio program on "Voices of Genocide". I have a few questions for Documentation Center of Cambodia.

1. Why did the Khmer Rouge put people to hard labor, execution, separation, and starvation?
2. Why didn't people rebel against the Khmer Rouge?
3. Has the Khmer Rouge Tribunal brought justice to the Khmer Rouge victims?

Best Regards,
