Dear Documentation Center of Cambodia (DC-Cam),

My name is Pheaktra, 20 years old, living in Phnom Dek Village, Romny Commune, Rovieng District, Preah Vihear Province. I am one of the audiences of Radio FM 99MHz, Preah Vihear Province. I have a few questions to ask DC-Cam.

- 1. Why did the Khmer Rouge kill their people?
- 2. Why did the Khmer Rouge put their people to hard labor?
- 3. Why did the Khmer Rouge starve their people when they had produced a lot of crops?
- 4. Where had those crops been transported to?

Best Regards, [signed] Pheaktra
